A diagram of a book cover layout. It features a central vertical fold line. On the left side, the text 'INSIDE FRONT COVER' is centered. On the right side, the text 'INSIDE BACK COVER' is centered. The entire layout is enclosed in a solid green border. A dashed green border is set inwards from the green border. A dotted red vertical line runs down the center, representing the fold. A solid magenta line runs along the outer edge of the dashed green border.
